Instructions for Haircut:

At Polka Dot Dogs, our philosophy is to offer a stress free grooming experience for your pet. Your dogs safety and comfort are our first priority. We will not perform any grooming procedure that causes pain or level of stress that we think is excessive.

Matted Pets: Combing out mats and extremely knotted hair can be painful to your pet. Minimal mats can be brushed out, however, if a pet is matted beyond brushing ability, he/she will need to be shaved shorter than the original length and may inquire additional matting fees. If shaving is needed the owner will be notified. Matted Pets are more difficult to shave and may get minor nicks or razor burn due to matting. Polka Dot Dogs is not responsible for any vet bills acquired due to matting.

Owners must advise staff of any medical, physical, behavioral problems and or any allergies or pre existing conditions your pet has. The owner will be liable for any bites caused by their dog that require medical treatment. Owner Initials \_\_\_\_\_
